

BOXELDER

Acer negundo

GENERAL INFORMATION

Family: Sapindaceae

Form: Tree

GROWING ENVIRONMENT

Hardiness Zone: 2 - 10

Light Exposure: Full Sun

Soil Type: Clay, Loam, Sand

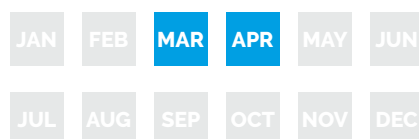

pH Range: 5.0 - 7.8

Moisture: Medium - High

Growth Rate: High

BLOOM INFORMATION

Bloom Time: March - April

Flowering: Flowering

Bloom Color: Green with Yellow

CHARACTERISTICS

Type: Perennial

Persistence: Deciduous

Leaf Arrangement: Opposite

Leaf Margins: Serrated

Flower: Raceme

Fruit: Samara

Woody Stem: Yes

DISTRIBUTION

Aggressive: Aggressive

Compatibility: Noncompatible
