

COMMON MILKWEED

Asclepias syriaca

GENERAL INFORMATION

Family: Asclepiadaceae

Form: Herb

GROWING ENVIRONMENT

Hardiness Zone: 3 – 9

Light Exposure: Full Sun

Soil Type: Clay/Sand

pH Range: Various

Moisture: Low – Medium

Growth Rate: Moderate

BLOOM INFORMATION

Bloom Time: June – August

Flowering: Flowering

Bloom Color: Pink

CHARACTERISTICS

Type: Perennial

Persistence: Deciduous

Leaf Arrangement: Opposite

Leaf Margins: Entire

Flower: Umbel

Fruit: Follicle

Woody Stem: No

DISTRIBUTION

Aggressive: Nonaggressive

Compatibility: Compatible
